

MEET JOSHUA DAKA

I was born in a Christian family where Dad is a pastor. Being born in such a family, it was always in us to go to church as a family.

My desire to know of the Lord grew bigger and decided to join International Bible College of Zambia, which today is called Ambassador International University. Where I graduated with a Bachelor's degree in Theology. It was at this college from which I met my God-fearing friends from the USA, the Ewing family, a great family that loves the Lord and is down to earth. I am humbled to be a part of Land of Hope Zambia with them. I also did Chaplaincy at Trinity Chaplain College in Lusaka. I am excited to help the orphans at the Land of Hope Zambia and being the pastor to a church that we are opening at the orphanage.

My wonderful wife Madias and I have been married for one year and expecting our first child in 2021. God is growing our family in both children and orphans and we welcome the responsibility he has bestowed on us.

Religion that God
our Father accepts
as pure and faultless
is this: to look after
orphans and widows
in their distress and
keep oneself from
being polluted by the
world.

JAMES 1:27

**“In the end, the only
thing you truly own is
your story.”**

**I've read the last
page of the
Bible. It's all
going to turn out
all right.**
